Notice for Transportation

J.E.M. F/X Inc. does not supply any gear needed for transportation. Please make the necessary arrangements for drivers prior to picking up rentals. Some of our gear needs to be towed, a trailer hitch will not be provided, nor will trailer hitches be available for rental. Any equipment transported on a flatbed needs to be tied down with the appropriate ratchet tie downs. Ratchet tie downs will not be provided, nor will ratchet tie downs be available for rental. A qualified driver is required to tow any equipment, including fans that would be tied to a flatbed truck. Any damage to gear during transportation will be charged accordingly.

Transportation requirements are **NON-NEGOTIABLE**.
